5-Seater

6-Seater

7-Seater

2nd-row Fold-and-Dive

2nd-row Power Reclining Captain Seat (6 Seats)
One-touch Walk-in

Convenience

The variety of storage spaces was meticulously selected to upgrade your journey.

Bilateral Multi-Console

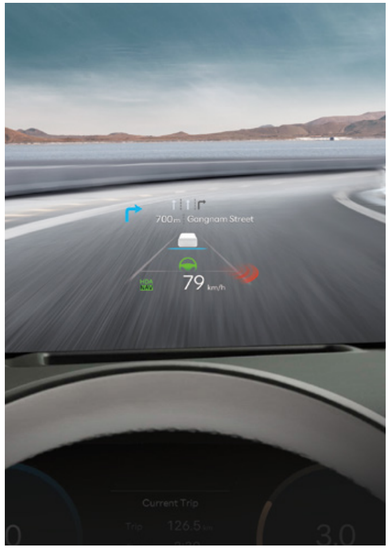
Front Upper-tray
Under Floor Box

Dual Wireless Charger
Rear Lower-tray

UV-C Sterilization Multi-tray

The ideal curation of cutting-edge technology will enrich the quality of your rides.

Digital Center Mirror (Full-Display Rearview Mirror)



12-inch Head-up Display (HUD)

BOSE Premium Sound System

Auto Temp. Control (Dual)

Performance

HTRAC all wheel drive capabilities, combined with multi-terrain control modes, give you absolute confidence on the road.

Smartstream Gasoline 2.5 GDI Engine 194 Maximum Power PS/6,100 rpm 25.1 Maximum Torque kgf·m/4,000 rpm

Smartstream Gasoline 2.0 T-GDI Engine 247 Maximum Power PS/6,000 rpm 36.0 Maximum Torque kgf·m/1,500~4,500 rpm

4WD HTRAC

SANTA FE AWD provides optimal driving performance through actively distributing driving force to the front and rear wheels according to various driving situations.

Drive Mode / Terrain Mode (Auto, Mud, Sand, Snow)

Hybrid

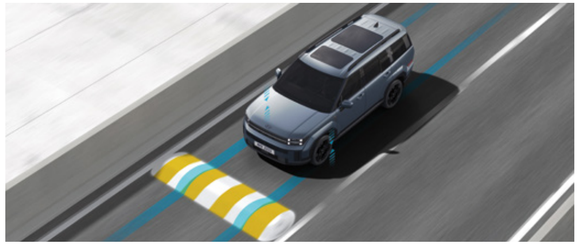
Enjoy a smoother ride and dependable responsiveness with the all-new SANTA FE's hybrid solutions.

	Engine		Electric Motor		Combined Output	
Smartstream Gasoline 1.6 T-GDI Hybrid Engine	180 Maximum Power PS/5,500 rpm	27.0 Maximum Torque kgf·m/1,500–4,500 rpm	47.7 Maximum Power KW	264 Maximum Torque Nm	235 Maximum Power PS/5,600 rpm	367 Maximum Torque Nm/1,000–4,100 rpm

Hybrid Model (Calligraphy)

Hybrid Exclusive Features
Paddle Shift-Regenerative Braking Mode

e-Comfort Drive

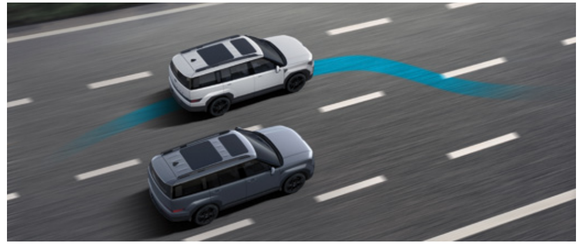


Hybrid control reduces body shake over speed bumps for a smoother, more stable ride on uneven city roads.

Linear acceleration for smoother city driving with reduced vibration and improved responsiveness.

e-Dynamic Drive

Torque vectoring with motor assist during cornering maintains optimal grip for confident, dynamic handling.



Quick acceleration response with enhanced torque for confident overtaking when you need it most.

Safety

The latest enhancements in safety will keep your family safe and sound in both daily and unexpected scenarios.

Blind-Spot View Monitor (BVM)

Haptic Steering Wheel

Surround View Monitor (SVM)

Rear Occupant Alert (ROA)

Hyundai SmartSense

More details

Forward Collision-Avoidance Assist 2 (FCA 2)
Forward Collision-Avoidance Assist 2 (FCA 2) monitors your surroundings and warns you if there is a risk of collision. After the warning, it automatically assists with emergency braking if the risk of collision increases – with an oncoming vehicle or PTW while turning left at an intersection, with an oncoming vehicle from the left or right, or while driving down the lane. It automatically assists with avoidance steering if there is a risk of collision with an oncoming/preceding vehicle or PTW in the next lane-while changing lanes, a vehicle/PTW/pedestrian/cyclist partially in the vehicle's intended path while driving, or a rear side vehicle/PTW when changing lanes.

Lane Following Assist 2 (LFA 2)
Lane Following Assist 2 (LFA 2) helps center the vehicle in the lane. The control performance has been improved, and the steering actuator control method has changed from torque control to steering angle control. Also, by additionally applying a direct Hands-On Detection (HOD) Sensor to the existing torque sensor recognition method, the performance to determine whether the driver is holding the steering wheel has been improved.

* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.
* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.
* Actual specifications may vary depending on the trim, powertrain and specifications selected.

Parking Collision Avoidance Assist (PCA)
Reverse Parking Collision Avoidance Assist (PCA) provides a warning if there is a risk of collision with a rear object while reversing. After the warning, if the risk of collision increases, it automatically assists with emergency braking.

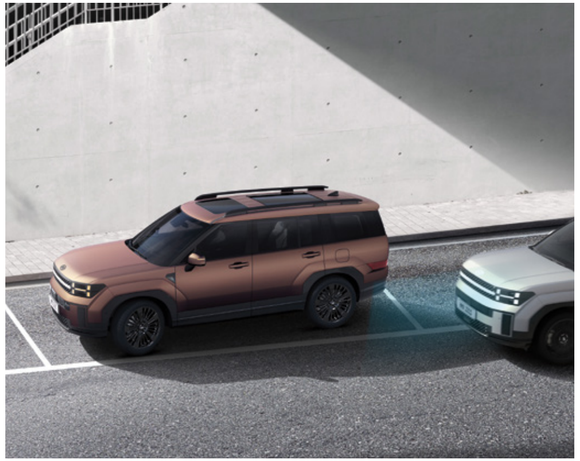
High Beam Assist (HBA)
High Beam Assist (HBA) detects the ambient light illuminance, such as a lamp of an oncoming vehicle or a preceding vehicle, and it automatically adjusts the high beams.

* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.
* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.
* Actual specifications may vary depending on the trim, powertrain and specifications selected.

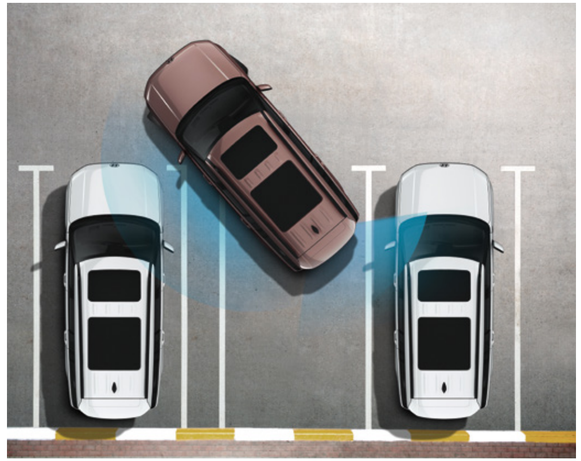
More details

Smart Cruise Control (SCC)
Smart Cruise Control (SCC) helps maintain distance from the front vehicle and drive at a speed set by the driver.
Automatically stops when the front vehicle stops and automatically starts when the front vehicle departs within a short time.

* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.
* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.
* Actual specifications may vary depending on the trim, powertrain and specifications selected.



Blind-Spot Collision-Avoidance Assist (BCA)
Blind-Spot Collision-Avoidance Assist (BCA) warns you if there is a risk of collision with a rear side vehicle in the blind-spot while changing lanes. When forward exiting a parallel-parking spot, if there is a risk of collision with a vehicle approaching from behind, it automatically assists with emergency braking.



Forward/Side/Reverse Parking Distance Warning (PDW)
Forward/Side/Reverse Parking Distance Warning (PDW) warns against collisions with objects around the vehicle at low speeds.

* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.
* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.
* Actual specifications may vary depending on the trim, powertrain and specifications selected.
